"..meaningful activities which stimulate the mind

and keep the body active." Ellie Goff, Butterfly Lodge Education Centre

An individual approach for everyone...

Vulnerable adults, young people and children of all ages, abilities and needs Including those with personal budgets and direct payments:

- mental health issues, autism, learning, emotional and behavioural problems
- disaffected and excluded youth
- recovery from addiction or illness
- long term unemployed
- young mums, single parents and their families
- young offenders or those at risk of offending

Volunteers are welcomed at our project

Provides fully funded adult learning opportunities

A special place to unwind and recover...

Chase Aqua Rural Enterprise CIC provides holistic day opportunities and meaningful activities in a safe and peaceful countryside setting.

A caring, friendly environment where people are welcomed and supported as individuals to develop their own potential, grow in self-esteem and improve personal wellbeing.

They will have fun, learn new skills, make friends and develop life skills We help them on their journey to independence, volunteering and work.
